Town Gets \$2000 From The Power Co.

MELBOURNE Dec. 17 — The newly formed town of Indialantic yesterday announced that it has granted the Florida Power and Light Company a 30-year franchise which will give the new community approximately \$2,000 annually.

The plan is similar to that which the power company has with other Brevard County communities.

Note: Several months ago the City of Pahokee turned down a like franchise by a vote of the people. Pahokee's annual share of the receipt would have been in the neighborhood of \$6,000. There is talk in Pahokee now of a favorable vote should another election be held. Some folks would like to see the money from the power company franchise budgeted for park work in the city, thus adding to the already wonderful work being done in beautifying Pahokee.

Episcopal Services Are Announced

Services in the Episcopal churches in the area during the Christmas season have been announced as follows by the Rev. John Clarence Petrie.

December 21-11 a. m. Morning Prayer and sermon at the Church of the Holy Nativity, Pahokee.

Christmas Eve 11:30 p. m.: Midnight Mass of Christmas at St. Martin's Church, Clewiston. Combined choirs from Belle Glade and Clewiston will sing the Merbecke setting of the service. Shirt sermon.

Christmas Day 10 a. m.: Holy Communion at the Church of the Holy Nativity, Pahokee. No sermon.

Next Sunday marks the 33rd anniversary of the ordination of Father Petrie to the priesthood. He offered his first Mass at Trinity Episcopal Church, Eldorado, Kansas, Christmas Eve, 1919.

Gifts Prepared For Unfortunates

A white Christmas party for the benefit of the Industrial Girls School at Ocala was held by members of the Pahokee Business and Professional Woman's Club at a meeting at the home of Mrs. Doris Sasser Tuesday night. Each member brought a Christmas gift for one of the girls at the school. The gift was wrapped at the party and placed under the decorated tree.

Miss Bette Lou Pickett was in charge of the entertainment which included the playing of games and the singing of carols.

Hostesses for the occasion were Mrs. Johnnie Davis, Miss Julia Mathis, Mrs. Frances Woodling and Mrs. Sasser.

Anthony Speaks To Pahokee Rotarians

E. D. Anthony, Sr., of West Palm Beach, pioneer Palm Beach County merchant, was guest speaker at the luncheon meeting of the Pahokee Rotary Club last Thursday. Introduced by J. V. Thomas, program chairman, the speaker told of some of the experiences of his 56 years of merchandising in Palm Beach County and cited figures to point out the tremendous growth the County has enjoyed since he started his West Palm Beach store now widely known as Anthony and Son. President Elmer Jones presided.

Stanley Hooks Named All-Emory Griddier

ATLANTA, GA. — Stanley Hooks, Canal Point, was named by Emory University coaches this week as a member of the All-Emory football team. The university does not participate in intercollegiate football, but has one of the oldest and largest intramural sports programs in the country.

Emory University embarked this year on a plan of development which, according to Dr. Goodrich C. White, president, aims to double the university's resources in ten years. The drive was off to a good start with a grant of \$7,000,000 from the General Education Board of the Rockefeller Foundation. This is one of the largest single grants ever made by the foundation to an institution, and is earmarked as endowment in support of graduate work. Some of the interest from this fund will go into graduate fellowships and scholarships.

Pell Joins Lions Club In Pahokee

Webb Pell, Pahokee High School football coach and athletic director, was received as a new member of the Pahokee Lions Club at the Tuesday luncheon meeting of the club. Frank Rozelle was in charge of the induction ceremony.

Final plans were made for the Lions annual Christmas party for the children of the community which will be held Saturday, Dec. 20, at 1:30 p. m., when Santa Claus will roar into town on the city's fire truck. Christmas treats will be given to every child who attends the party and club members were asked to assist Duncan Padgett with the preparation of the treats at the Lions Hall Friday evening. Curtis Chase, vice president, is chairman in charge of general arrangements for the party.

President James W. Vann, who presided, introduced James C. Baldwin, an official at the State Farm No. Five north of Belle Glade, as guest speaker. Mr. Baldwin gave a talk on the expansion of the State Farm, especially in the field of cattle raising.

Hospital Tree To Be Decorated

Members of the Pahokee-Canal Point Garden Club at a general meeting in the Woman's Club building Tuesday night voted to decorate the Christmas tree at the Everglades Memorial Hospital. Mrs. Frank Friend, president, named Mrs. L. W. Armstrong, Mrs. Don Hillier and Mrs. H. M. McIntosh on the committee in charge of this project.

Each circle was asked to assume the responsibility of having a flowering tree planted in a local public park during the coming year and every club member was urged to plant a flowering tree at her home sometime during the year.

It was announced the next general club meeting will be held at the Pahokee city park on Jan. 16, with a covered-dish luncheon at noon. Mrs. M. C. Carter, conservation chairman, will be in charge.

Following the business session, Dr. George Argus, gave a talk on the "Growing of Iris in Florida," in which he told of his experimental work in the propagation of Iris to determine which varieties of the flowering plant are most adaptable to the Florida climate and soils. He was assisted by Mr. Smith in illustrating his talk with colored slides.

Harkness Duncan Is Cadet Sergeant At Military College

MILLEDGEVILLE, Ga. — Cadet Harkness A. Duncan, has been promoted to the grade of Cadet Sergeant, in the cadet battalion of Georgia Military College. Special orders issued by the ROTC Detachment at the military school place him on duty with Company C.

Georgia Military College was organized by an act of the General Assembly and approved on October 14, 1879. That same year the old State Capital Building was converted into an Educational Plant.

Board Of Review Held For Scouts

A Boy Scout board of review was conducted at the Lions Hall Monday night to examine members of Pahokee Boy Scout Troop 28 preliminary to the awarding of merit badges and advancements in rank.

The scouts were introduced to the board by William Weathers, Troop 28 scoutmaster. Troop 28 is sponsored by the Pahokee Lions Club and the board of review is made up of members of the club's scouting committee: Curtis Chase, Dick Parrish, R. R. Long, J. H. Wilkinson, Jr., Duncan Padgett, H. C. Graham and R. L. Brooks.

A story praising the friendly attitude of Miami's by a new resident appears in the December issue of Woman's Day.

Lynn Shirley Only Senior On Honor Roll

Lynn Shirley, twelfth grade, and Sandra Adams, eighth grade, were the only students at Pahokee High School who were placed on the school's honor roll with honors for receiving A's in all subjects and all A's and B's in citizenship during the second six-weeks' period of the current school year, according to Principal Clyde A. Canipe. Students listed on the honor roll for receiving A's and B's in all subjects and citizenship were Don Adams, Helen Tucker, Pat Kumer, Robert DeLoach and Roberta Hatton, twelfth grade; Donna Gail Jensen, Alden Chase and Carol Carpenter, eleventh grade; Judy Starling and Erma McAfee, tenth grade; Derother Rushing, Corrine Collins, Betty Echols and Annette McIntosh, ninth grade; Joyce Cobb, seventh grade.

Those receiving honorable mention for scholastic work was Sylvia Wilson, Lorraine Hamby and Ann Atkins, twelfth grade; Arlene Rainer, Jackie Scruggs, Bonnie Miller, Frances Crews and Sarah Summers, eleventh grade; Billie Nell Stokes, tenth grade; Shelby Jean Tucker, Donna Upthegrove and Evelyn Prince, ninth grade; Eva Gail Guthrie, seventh grade.

First Rice Shipped From The Glades

The Glades Rice Growers Cooperative shipped the first carload of rice grown in the Glades section of Lake Okechobee to the Supreme Rice Mill of Crowley, La., Dec. 16, according to Peter LaChance, office manager for the Rice Cooperative.

The rice moved out over the Florida East Coast Railroad. Several more cars should move out during the balance of the fall harvest. The rice is shipped in the rough as there is no mill in this area for removing the hull and polishing the rice which is necessary before being ready for consumption.

According to Mr. LaChance, the Rice Growers Cooperative plans to erect a rice mill in time for the next summer's harvest.

The Florida State Advertising Commission is sending Christmas gifts to 275 radio disc jockeys in the east and midwest containing a record with a new Florida song on each side plus a bundle of literature about the state.

The glamour and jollity of the annual visit of Santa Claus was dulled this week when the coldest weather of the season swooped down on the vast agricultural area here on the eastern shore of Lake Okechobee and left a devastated bean crop in its wake. 75 percent of the growing bean crop—mostly planted after the heavy October rains—crumpled under the heavy frosts of Tuesday morning and Wednesday morning.

Temperatures dropping down to 28 degrees were recorded within gun shot of Lake Okechobee and remained that way for six hours Tuesday morning. Winds in some parts of the Lake Region warded off frost Tuesday morning but again Wednesday morning another frost paid a visit. This time the winds had subsided and as a result a whopping amount of the beans were killed. Beans close up to the ridge north of Canal Point were killed in some fields. Ordinarily "close in" land is considered safe from frost damage.

A survey of the Glades yesterday morning showed growing and unharmed beans in the area between South Bay and Lake Harbor in large quantities with some near the picking stage. These in all probability will bring premium prices. There are some small plots of unharmed beans in the Pahokee-Canal Point and Belle Glade-South Bay areas, but they are few in number.

Yesterday morning growers were busy discing frost-killed bean fields and replanting in an effort to "get in" on the early beans when they come in after the first of the year. The frost was the second disaster of the present season and the beans were the ones planted after the 28 days of rain in October. So, Santa Claus, this year gives way to Jack Frost and his visit will be widely welcomed although it will not bring as much merry-making as usual.

Santa Claus Will Visit Drug Store In Canal Point Monday

Santa Claus will visit the Canal Point Pharmacy at 1 o'clock Monday afternoon, according to Arnold Barad the proprietor. Santa will have a free sack of candy and goodies for all the boys and girls who happen to be at the drug store when he arrives. It is the first time in many years that the jolly old elf has made a special trip to a local business establishment.

Everybody's Invited To See Dan McCarty Inaugurated

TALLAHASSEE — Everybody's invited, but there'll be no special invitations when Florida inaugurates Dan McCarty of Fort Pierce as governor for the next four years.

Inaugural chairman Justice Elwyn Thomas says all the ceremonies of the inauguration are open to the public and there'll be no special invitations to the January 6 activities.

Even state officials, legislators, and members of the official families of the in-coming and outgoing governor won't get special invitations to come. There'll be seats near the platform for officials, with room for some 15,000 people within seeing distance of the ceremonies.

For the first time in State history, the ceremonies are going to be held on the west side of the capitol. This will make it possible for more people to witness the inauguration.

The ceremonies will start at 11:30 a. m. with an address by outgoing Gov. Fuller Warren first on the program. At 12 noon the chief justice of the Florida Supreme Court, H. L. Sebring, will adminis-

ter the oath of office and McCarty will be officially Governor of Florida.

An inaugural speech by Governor McCarty follows, with this phase of the program scheduled to conclude by 12:45.

A parade down Tallahassee's Monroe Street, headed by the Fort Pierce High School band, starts at 1:30. A general invitation for counties to send bands and floats has been extended to all counties. Bands wanting to enter the parade should contact the local Clerk of Circuit Court, or the Tallahassee Chamber of Commerce.

However, the Inaugural Committee has emphasized that it's making no effort to get a float or band from every county and doesn't expect to make up an extravaganza.

McCarty's first instruction to the Committee was to plan an inauguration day in keeping with the dignity of the office.

The evening of inauguration day there'll be four inaugural balls, including one at Florida A. & M. College for Negroes, to top off the day's activities.

The inauguration is a four-year

highlight in this Capital-City and local citizens are looking forward to perhaps the largest influx of visitors of all time.

Play Scheduled At School Tonight

A group of Pahokee High School students under the direction of Marvin Thompson, Spanish instructor, will present a Christmas play in the high school auditorium this Friday night, Dec. 19, at 8 p. m.

The cast includes Don Adams, Jan Chastain, Val Galbaldon, James Usher, David Cunningham and Harry Elarbee; also a group of elementary school children, Adrian Galbaldon, Shirley Levins, Shirley Kincaid, Sharon Miller, Larry Beede, Alvey Early, Jerry Upthegrove and Wayne Waggon. There also will be group singing of Christmas carols. Admission will be free. The public is invited.

Dog Track Readies For Another Season

With 560 of the world's fastest greyhounds kenneled near the track and many new improvements certain to amaze racing fans, official schooling races are now in progress at the Palm Beach Kennel Club. Located west on Belvedere Road, opposite the Air Base, the track opens for the season on Saturday night, December 27.

Greatest improvement in the history of the track is the new Australian totalizer which electrically operates the odds board and computes ticket sales as they are made at the windows. Scores of workmen have been busy on the new innovation for the past several weeks.

The entire track is being made spic and span for the opening and another new feature that is sure to meet with the approval of racegoers and kennel owners alike will be automatic starting boxes.

For the first time on any track, large television screens in the clubhouse and on the mezzanine floor will show the races in their entirety from starting box to the finish line.

Many of last season's top greyhounds are back along with a flock of top notch stars from Northern

tracks. Among the returning "hot box" favorites are Birth, Mark, Wes Hardin, Key Ring, Bell Boy, Val's Clipper and Silent Sam.

Vesper Choir Will Present Program

The Vesper Choir of the Pahokee First Methodist Church, Miss Dorothy Shell, director, will present a special Christmas program, "Carols and Candle Lighting, during service at the church this Sunday, Dec. 21, at 7:30 p. m.

Solo numbers will be sung by Miss Carol Carpenter and Mrs. Hugh Branch. Miss Shell is being assisted with program arrangements by Mrs. Rewert A. Guy.

Albert Graves, student at Young Harris Junior College in Georgia, will arrive here this weekend to spend the holidays with relatives.

Church Party For Methodist Children

Children of the kindergarten and primary departments of the Pahokee First Methodist Sunday School enjoyed a Christmas party in the church social hall and bungalow Thursday afternoon.

Santa Claus was present to distribute Christmas treats from a decorated tree. Gifts were exchanged among the children and each received a gift from his or her teacher. Refreshments of orange juice and decorated cookies were served to approximately 75 guests.

Hostesses included Mrs. Louis Davis, Mrs. Robert Simonson and Mrs. Myers Fountain, kindergarten teachers; Mrs. Hugo Boe, Mrs. Leo Maxwell, Mrs. Clara Beverly and Mrs. Robert Hatton, primary teachers, and Mrs. Arch Blakey, department superintendent.

AVOID THE CHRISTMAS RUSH ON LONG DISTANCE

Make Your Calls Early!

LONG DISTANCE telephone lines will be crowded on Christmas Eve and Christmas Day in spite of the many new circuits we've added. Many soldiers will be calling home. We'll be on the job doing our best to put all calls through but there will be delays. You'll get faster service if you make your calls before Christmas Eve or after Christmas Day. Whenever you call, you save time when you call by number.

Hello everybody! If a participant in a quiz show were to be asked "Who were Annie Oakley, Pearl White, Texas Guinan and Blossom Seeley?", believe it or not, the correct answer for all of them would be Betty Hutton! In eleven years of entertaining millions of movie fans all over the world, filmland's Blonde Bombshell has re-enacted the explosive lives of no less than four of history's most outstanding female personalities. Hollywood's bundle of vivacity began her gallery of biographical screen portrayals by getting herself tied to the railroad tracks as Pearl White, the Queen of the Serials, in "The Perils of Pauline." For delighted moviegoers she re-enacted the hair-raising adventures of the intrepid heroine whose harrowing predicaments inevitably conclude with a

title reading "Continued Next Week." Next on Betty's list of screen biographies came "Incendiary Blonde", in which she brought to glowing life the magnetic personality of Texas Guinan, who greeted the tired businessmen of America with a good-natured "Hello Sucker!" and thereby added an unforgettable phrase to the language. She became a symbol of an era of wonderful nonsense—the time of Daddy Brown, Almee Semple MacPherson, bootleg gin and stocks on margin. Once again Betty demonstrated her versatility with a characterization that had all the color and excitement of the Roaring Twenties. Third party in the Betty Hutton album of true-life screen roles, put a rifle in her hand and a gleam in her eye as she brought to the screen one of America's truly legendary figures, Annie Oakley. As the girl with the infallible trigger finger in "Annie Get Your Gun", Betty Hutton sang and

laughed her way into the hearts of all America.

Her latest picture "Just For You," is said to measure up as one more great triumph for this vivacious actress and is bound to receive popular acclaim from all her movie going fans. See you at the movies—Mal.

Personal

George Arceneaux, Jr., of Washington, D. C., is expected to arrive the first of the week to spend Christmas with his parents, Dr. and Mrs. George Arceneaux, in Pahokee. After Christmas Dr. and Mrs. Arceneaux and son, Tommy, plan to spend a few days with Dr. Arceneaux's mother, Mrs. E. B. Arceneaux, in Lafayette, La.

Engagement Of Miss Spivey Announced

Mr. and Mrs. A. J. Spivey have announced the engagement of their daughter, Imogene, to James C. Sims, Son of Mr. and Mrs. B. C. Sims of Canal Point.

Both Miss Spivey and Mr. Sims attended Pahokee High School and Mr. Sims also attended Florida University at Gainesville, and Livingston State Teachers College at Livingston, Alabama.

The wedding will take place in the Spring.

Lot Purchased For New Church Building

The Pahokee First Baptist Church has purchased from Bill Golden property adjoining the church grounds on the west and will use the new addition as part of the site for the new church auditorium and sanctuary the church is planning to build. The church is accumulating a building fund for the construction of the new auditorium which is to start when the fund reaches \$25,000, according to the Rev. W. Hal Hunter, pastor.

aldrin

Aldrin—approved by agricultural authorities for control of certain soil pests—has established a fine record for wireworm control on sugar cane, corn and sweet potatoes.

Easy-to-use aldrin can be applied to soil in two ways:

1. Apply aldrin directly on the ground, as dust or spray, and harrow it in when preparing seed beds.
2. Have your supplier mix aldrin with your fertilizer and apply with conventional row treatment.

Using either method aldrin is applied in small amounts... it's economical. Aldrin gets other insects at the same time. It controls rootworm and other pests... is now approved for controlling wireworm on sweet potatoes.

Make your next crop a profitable one, free of wireworm and other destructive insects... use aldrin before planting. Your dealer will be glad to give additional information.

Christian Science Group Of Canal Point

Theme of services in all Christian Science churches next Sunday is the absolute supremacy and omnipotence of God. The question "IS THE UNIVERSE INCLUDING MAN, EVOLVED BY ATOMIC FORCE?" is the subject of the Lesson-Sermon.

A verse from Proverbs (3:19) was selected for the Golden Text: "The Lord by wisdom hath founded the earth; by understanding hath he established the heavens." Passages which will be read from

the King James Version of the Bible include the following: "God hath spoken once; twice have I heard this; that power belongeth unto God" (Psalms 62:11).

Correlative selections from the Christian Science textbook "Science and Health with Key to the Scriptures" by Mary Baker Eddy include: "There is no power apart from God. Omnipotence has all-power, and to acknowledge any other power is to dishonor God" (p. 228).

Canal Point Lions Hear W. A. Slauter

W. A. Slauter, director of driver education at Pahokee High School, was guest speaker at regular dinner meeting of the Canal Point Lions Club this week. Introduced by the Rev. James R. Roy, program director, the speaker explained the methods used in driver education courses to make teenagers skilled and responsible drivers of motor vehicles.

It was reported work is well under way on the birthday calendar which is being prepared and printed by the club as fund-raising project, proceeds to go into community betterment and other club work.

The calendars are to sell for 50 cents each and 25 cents is being charged for every name printed in the birthday date space.

President Albert Fremd presided at the business.

For the fifth straight year, Tom Moore, famed radio personality, will present his Mutual network radio show "Ladies Fair" at the Florida Citrus Exposition in Winter Haven.

Molasses Feed Is Thoroughly Tested

CLEWISTON — Cattlemen will be interested in checking the results obtained through years of experimental feeding of cattle in mill-run blackstrap molasses, as conducted at Sugarland Ranch. There is a vast difference between heavy mill-run blackstrap molasses and the more fluid standard

type. Heavy mill-run has a minimum Brix of 84.5 degrees while the standard is only 79.2 degrees. The heavier product is much more nutritious.

Another advantage of this heavier density mill-run molasses is that the cattle will eat less than they do of the fluid type, thus making it more practical and economical by holding down the consumption to a more reasonable

daily intake.

Experimental feeding has shown the following favorable results: additional increase in weight, higher dressing percentage and carcass grades, higher live weight selling price, increase in percentage of calf crop, stronger, healthier and heavier calves, better general health in the herd and reduction in the mortality rate as well as a superior external appearance or

"sleekness" of coat.

Cattlemen interested in further information on the subject of handling and feeding mill-run blackstrap molasses, free choice, to cattle on the open range, should write to S. L. Crochet, director of Cattle Project, Sugarland Ranch, United States Sugar Corporation, Clewiston, Florida for a copy of circular No. 383 which will be sent free on request.
